I'm a Web Developer and Graphic Designer with a focus on clean code, pixel-perfect designs, and improving website interactivity. I specialize in crafting engaging user experiences and ensuring smooth, high-performance functionality across digital platforms.

Experience

2020 – 2023

Computer Operator:

Heritage High Academy

At Heritage High Academy, I managed and maintained computer systems, ensuring smooth hardware and software operation. I provided technical support to staff and students, enhancing IT efficiency and fostering a productive learning environment.

SEPTEMBER 2023 – FEBRUARY 2025

Digital Marketing Head/Graphic Designer:

CORE PLAN BUILDERS

As a Graphic Design and Digital Marketing Manager at OneCinemas (Core Plan Builders), I created visually compelling designs and executed strategic marketing campaigns to enhance brand visibility and audience engagement.

FEBRUARY 2023 – PRESENT

Senior UI/UX Designer/Web Developer

YAKS FILMS PRODUCTION

As Yaks Films Production's Senior UI/UX Designer and Web Developer, I create full front-end and back-end websites for national and international clients. I design intuitive user experiences, develop responsive sites, and integrate multimedia content. Collaborating with creative teams, I enhance brand identity and digital presence through innovative design and development.
