I am a versatile creative professional specializing in Video Editing and Graphic Design. I excel at producing compelling video content and delivering pixel-perfect designs. My skills encompass a wide range of graphic tasks, including banner and logo creation, as well as vector graphics. I'm passionate about sharing my knowledge and experiences, actively showcasing my projects on social platforms and expressing myself through articles on my personal blog.

---

## Experience

2020 – 2023

### Computer Operator:

Heritage High Academy

During my tenure at Heritage High Academy, I served as a dedicated computer operator, where I effectively managed and maintained computer systems to support the educational activities of the institution. My responsibilities included ensuring the smooth operation of hardware and software, providing technical support to staff and students, and contributing to the overall efficiency of the school's IT infrastructure. Through my proactive approach and commitment to excellence, I played a vital role in facilitating a conducive learning environment for all stakeholders.

SEPTEMBER 2023 – PRESENT

### Digital Marketing Head/Graphic Designer:

CORE PLAN BUILDERS

As a Graphic Design and Digital Marketing Manager at OneCinemas (Core Plan Builders), I combined creativity with strategic insight to craft visually captivating designs and execute effective digital marketing campaigns. My role involved aligning design aesthetics with marketing objectives, driving brand visibility, and maximizing audience engagement across digital platforms.
